

Welcome to the 16<sup>th</sup> annual Wayne County Challenge end of season celebration. I'm Brian Schleeper, race director of the IU East Run with the Wolves 5K. Tonight we'll give out awards for overall and age group performances and to another large group of people who completed all seven races of the series. While we're here tonight to recognize accomplishments from 2018 I also want to mention that the schedule for 2019 is set and there were schedule cards on your tables which you're encouraged to take. We hope you'll take advantage of the Carpe Viam special which allows you to enter all eight series races at once, at a discounted rate. This year the program is available again for \$130, a savings of \$30 over the course of the year on pre-registration rates and \$70 off day of registration prices. Signing up for Carpe Viam also insures that you get a shirt or other swag from each race. Online registration for the Carpe Viam special and season opening Girls Inc. 5K are now open by going to the WCC website, [wcchallenge.org](http://wcchallenge.org).

2018 was another excellent season for the Wayne County Challenge and a year of firsts. We have 18 first time winners, over half of the people who'll come up to the stage. A record for overall titles and our first season with only seven races after the IU East Run With the Wolves had to be cancelled, our first such occurrence is sixteen years. But as they say the more things change the more they stay the same as we also had the same overall champions in both the men's and women's divisions, for the fourth straight season.

While we're here to give out awards and recognize some talented athletes I would also like to acknowledge the impact participation in WCC events has on our community. Your participation in each event helps provide much needed funds for the nonprofit organizations who put on each race.

The WCC is a win-win for all of you who run or walk in each race as you improve your overall health, as well as the groups who put them on. We're thankful for your participation and the positive impact it has on our community. So we would like to thank all of you for supporting the WCC and these organizations.

Now i'd like to have the remaining race directors stand and be recognized for all their hard work:

**Patrick Ripberger**-Girls Inc. 5K: benefitting Girls Incorporated

**Rick Duncan** – Fireworks 5K : benefitting the Richmond American Legion Post 65

Finally I'd like to thank our series sponsor Whitewater Valley Rehabilitation. We're incredibly grateful for their support of the WCC and our mission to help people become more active through our events and appreciate having them on board again in 2019.

Before we get to our overall and age group award winners I want to announce the "Runner's Choice" award winners as voted upon by all of you. Thanks to everyone who voted.

Many of the winners who were just up here completed all seven races. 75% of the age group and overall champions completed each event this year. The mission of the WCC is, in part, ***to encourage and reward the participation of all types and ages of runners.*** In a moment we will give out awards to the 73 individuals who participated in all seven races, many of whom will be making their second trip up.

But first we do have one more individual award to give out to our most improved runner. This award goes to the individual who shows the highest degree of race improvement over the course of the season.

This year's winner is Bennett Ritchie. Bennett was already honored for winning the men's 19-24 age group in his inaugural year of doing WCC races. Congratulations to the 2018 Wayne County Challenge most improved runner Bennett Ritchie.

There's no award for this particular honor but we do like to recognize the holder of the longest race streak. For the 13<sup>th</sup> season in a row Judy Pierce ran every race, continuing her streak which began with the 2006 season. This means Judy has completed 103 races straight. Not only is this the longest current race streak, it's the longest streak ever for the WCC. Congratulations Judy, please stand to be recognized.

We'll now present certificates and shirts to the runners who completed all 7 races this season. We appreciate the support these 73 have shown to the WCC and the organizations that put on and benefit from each race. Congratulations to each of you. Please come forward when your name is called to receive your awards and please remain on the stage so we can take a group photograph.

Thank you again for attending tonight's event and your support of the Wayne County Challenge and its member organizations. We look forward to our 17<sup>th</sup> year and the season opening Girls Inc. 5K, Saturday May 11.
